

This Animal Transfer Form has been adopted for use by Illinois State University for use in transferring research animals between investigators and/or projects if same investigator.

In accepting the animal(s), Recipient accepts full ownership, custody, and control of the animal(s). Provider is transferring the animal(s) as a service to research within the University. The animal(s) is transferred to the recipient with no warranties, expressed or implied, including any warranty of fitness for a particular purpose.

The undersigned Provider and Recipient expressly certify and affirm that they are authorized to sign this agreement on behalf of their respective animal colonies, and that the statements made herein are truthful and accurate. No animals may be used on recipient protocol until approval is granted for the transfer. Animal care staff will adjust cage cards.
