

Principal Investigator:

Title of Modification:

Check Modification requested, describe the proposed modification below, sign and date the form, [upload](http://www.irbnet.org) it to IRBNet (www.irbnet.org) and submit it to the IACUC. Only the PI has the authority to submit modification requests. Please submit separate forms for each modification to avoid delay in review.

Significant changes that must be approved by one of the valid IACUC approval methods (FCR or DMR). Those changes marked by an asterisk require FCR. Submission deadlines for modification requests for significant changes are the same as for submission of a new protocol.

- Changes in the objective of the study as originally submitted and approved by the IACUC
- Change from non-survival to survival surgery*
- Changes resulting in greater pain, distress, or degree of invasiveness*
- Change in the species
- Change in Principal Investigator
- Change in impact of personnel safety
- Change in housing to or use of animals in a location that is not part of the animal program overseen by IACUC
- Other (please explain below)

Significant changes that may be **administratively approved with Veterinarian Consultation:**

- Change in anesthesia, analgesia, sedation, or experimental substances
- Change in euthanasia to any method approved by the AVMA Guidelines for the Euthanasia of Animals
- Change in duration, frequency, type, or number of procedures performed on an animal

Significant changes that may be approved by the IACUC chair:

- An increase in previously approved animals numbers (must include a justification to increase)

Minor modifications that may be approved by the IACUC chair include, but are not limited to:

- Change in location of research: _____
- Change in source of animals to: _____
- Change in animal strain to: _____

Minor modifications that may be administratively approved by the Director of REC without additional justification:

- Change in personnel other than the PI. (Proof of required IACUC training should accompany this request)
- Correction of typographical errors or grammar
- Contact information updates
- Other (please explain below)

BRIEFLY DESCRIBE REQUESTED CHANGES AND APPROPRIATE JUSTIFICATION FOR MODIFICATION:

At the discretion of the IACUC, principal investigators may be required to submit a complete, revised protocol form before approval can be considered. In compliance with federal regulations, modifications cannot be applied to work in progress until the IACUC has reviewed and approved the changes. For further information, please contact the Research Ethics & Compliance Office at (309) 438-2529 or rec@IllinoisState.edu.
